CAMP	7240	1656,8	1259,1	397,6	4,37
BASE	9670	2212,8	1681,7	531,1	4,37

Assumptions of cooperation

Order fulfillment time: 2-5 weeks

Colour: grey

All accessories in every model set without gas

Transport costs on the customer side. The shipping price depends on the model and location, we can initially determine that it is about 650 PLN - 148 EUR

Model Raxo Nano and Monck packed in a cardboard box and shipped on a pallet

Other models without cartons, secured and sent to the customer on a pallet

In our approach, we want the price to be the same as on our website

As part of the cooperation, we provide sample posts and graphics to create your own posts with our RAXO products for advertising purposes

As part of the cooperation, we provide photos for insertion on the website

As part of the cooperation, we share content about products from our website

The price depends on the current euro rate

We propose to start cooperation on the Monck Nano and Base models due to the best sales of these models

24% for an order of 5 boxes (any model configuration)
